

About Andorno's

Here at Andorno's we try to make the best pizza possible using the best and freshest ingredients available.

We grind our own vegetables and cheeses, season and cook our chicken and sausage.

We make our dough and sauces using our own unique recipes. We stretch the pizza by hand and bake it in a seasoned brick oven.

We are proud of our food and we hope you enjoy your meal and have a good time.

The Andorno Family
Naples, Italy

"Thought depends absolutely on the stomach; but in spite of that, those who have the best stomachs are not the best thinkers." VOLTAIRE
